REPORT OF TRUSTEES OF MEREDITH PUBLIC LIBRARY

The past year has been a busy one in the library, as the circulation is larger than ever before, an average of 150 books being let out every Saturday. The circulation has nearly doubled in ten years and it is hoped it will continue to grow until every home is reached.

The library hours are from 2 to 5 in the afternoon and from 7 to 9 in the evening on Monday, Wednesday and Saturday. Visitors will find warm, well lighted rooms and twenty-two of the leading periodicals on the tables.

The fourth new supplement was printed in the fall and the books are now catalogued up to date. New catalogues are for sale at ten cents apiece and will be found a great convenience to those who cannot come to the library in person. There are now on the shelves 5,400 numbered books, besides works of reference, reports, etc.

Through the kindness of Mrs. D. W. Coe and Miss Virginia Ladd, a cabinet of valuable minerals owned by their father, Seneca E. Ladd, has been placed in the library. The collection includes many antique articles of local interest and is greatly appreciated. It is hoped that many others who have in their possession historical relics will present them to the library, where they can be safely cared for and enjoyed by all. A small collection of ancient books is started and if added to by gifts will sometime be of great interest.

Circulation for the year, 13,734.

REPORT OF TOWN SCHOOL BOARD

To the Selectmen of the Town of Meredith:

We would submit for your consideration the following report for the year ending Feb. 15, 1912.

Schools have been maintained in the District as follows:

School No. 3	Alice Ballard, teacher	30	weeks
" " 2	Helen Hawkins "	8	"
" " 6	Marion York "	4	"
" " 8	Ada Burleigh "	30	"
" " 9 & 10	Alice Shaw, Barbara Smith, Hattie Drake, teachers	32	weeks
" " 12	Eva Felker, teacher	9	"
" " 13	Stella Pollard "	30	"
" " 16 & 17	Stella Thomas, teacher	30	"

School No. 6 was closed after four weeks on account of the removal from the district of some of the pupils. In localities where it has not seemed advisable to maintain a school, the pupils have been conveyed to other schools, so that all children between the ages of 8 and 14 have had the privilege of attending school the full year of thirty weeks.

The enumeration of children in the District between the ages of 5 and 16 for the last three years was as follows:

1909	124 children
1910	126 "
1911	85 "

The equalized valuation per pupil for 1910 was $7,188.00. The whole number of pupils was 94 and the average daily attendance was 71. A study of these conditions and reference to Sec. 1, 2 and 3, Chapter 158, Session Laws of 1909 relative to the State Aid School Fund, will show that we missed securing the State Aid by a small margin, on account of a low average attendance. If those having the care of children of school age exercised due regard for the law and were more deeply concerned in the welfare of the schools, we should not fail to receive this aid from the state.

The Registers give the names of only 32 parents of children who have visited the schools during 1911. The best schools in the District are those in which the parents have co-operated wi,h the teachers in maintaining a high average attendance and in promoting a good healthy school spirit.

MEREDITH HIGH SCHOOL

Elizabeth Dearborn, Evelyn Eaton.

We deem it most unfortunate that we were obliged to dispense with the services of a superintendent at the beginning of the fall term, owing to the dissolution of the Supervisory District, but as we were able to retain teachers in most of our schools who have taught for several terms under supervision, the good work of former years has been continued.

We would earnestly recommend that arrangements be made as soon as possible to again secure expert supervision of our schools.

REPORT OF SCHOOL DISTRICT NO. 5

To the Selectmen of the Town of Meredith :

The Board of Education submit the following report for year ending Feb. 15, 1912 :

ATTENDANCE

Sub Primary Mrs. E. Quimby

	Spring	Fall	Winter
	35	50	46

Salary, $44 month

Second and Third Grades, Helen E. Hawkins

	35	35	31

Salary, $40 month

Fourth, Fifth and Sixth Grades, Vera E. Berry

	33	36	38

Salary, $44 month

Seventh and Eighth Grades, Frances L. Southard

	29	31	30

Salary, $48 per month

High School, Carl H. Ranger

	22	37	33
Total	154	189	178

Salary, $83.33 month

The High School this year, as last, has been under the

direction of Carl H. Ranger, Bates College, and the school has been unusually large.

In the Fall term we had 18 tuition pupils,which would have shown us $648.00 in tuition paid, etc., had the State approval not been withdrawn. This item demonstrates what a large sum can be drawn in tuition from the adjacent country if we have an approved school, with four years work.

Miss Frances Southard advanced from the 4th, 5th & 6th grades to take charge of the 7th & 8th. Miss Vera E. Berry taking the 4th, 5th and 6th and Mrs. Elizabeth H. Quimby returning to the Sub. Primary and 1st grade, Miss Helen E. Hawkins teaching the 2nd and 3rd in the room at Baptist Chapel. The Board was again obliged to rent this room at $100 dollars per year. An addition to the present building must be made as if a four years course is established a High School building must be erected

Our last enumeration of scholars totals 151 and with our tuition pupils has made our enrollment winter 1912, 178.

Almost without exception the pupils in all grades have made satisfactory progress, and a comparison of our work with that of adjoining towns shows equality of work.
